# SIZE Really Does Matter!

## DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

### PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

### CONCENTRATED FORMULA

The ingredients of Testrone with Tongkat Ali have been shown to increase both testosterone and nitric oxide in the blood. Only the strongest potency herbs are used in our formula. The Tongkat Ali is imported from the most reputable sources in Asia. This herb has been used by men throughout Asia for centuries to increase desire, libido and performance in the bedroom

### GUARANTEED RESULTS

Get serious about having the longest, biggest, thickest penis possible. Don't waste any more time on creams, sprays or products that have not been proven. Start seeing real results in the shortest amount of time with Testrone with Tongkat Ali !

Imagine when your partner sees how thick and long you are. Eliminate worries about going soft or coming too soon. Maintain virility so that you can increase the number of times you can perform.

This new highly concentrated formula makes all the difference in the world. Never before has there been an all-natural formula that works as fast and effectively as this product. To increase the size and power of your penis you need a solution that works. You won't find a more potent formula for growth and development !

# CROC SUCKER!

## Elephant snorts croc out of puddle

IT COULD only happen in DEEPEST, DARKEST AFRICA, readers. Like something off that TV show, *I'm A Wild Fucken Animal, Get Me The Fuck Out Of Here*, this bull elephant and this pretty damn butch four-metre crocodile had one of those "You think you tough, sucka!?" moments in the Sabi Sands Game Reserve in South Africa.

The elephant was giving its TRUNK KNOB a bit of a wash in the river when a croc that happened to be passing, thought, "Hmm, I'll have a piece of that," and bit the fuck out of it. All chompy-chompy, like.

So what does old jumbo do? Only lift the croc out of the water with its trunk and stomp the leathery tripe out of it on the river bank, the big tough bastard.

So the croc fucks off. Big win for snouty there.

Elephants – they don't just LOOK COOL, eh. Picture

New Tits On the block

# Charley BAP-LIN

## Perfect Pom has beaut blouse clowns

CHARLEY Atwell wasn't born famous. When first she came into this world in Essex, UK, about 30 years ago, no-one knew she was going to grow up to be a star of erotically charged publications the world over.

But once she'd had her chesticles pumped up to an UNFEASIBLY LARGE size, people started saying: "Ya know, she could be a star..."

These days Charley – short for Charlotte – can't walk down the street in her home town without someone yelling

Filippo Sano/ Photodromm

CHECK CHARLEY'S CHOICE CHOOZIES!

out, "Hey, aren't you that girl with the BIG TITS? Ya know – in the magazines?"

Yep, Charley and her GG-CUP GAZONGAS have become very famous indeed, but while THEY'VE changed over the years, SHE hasn't.

She's still the sweet, charming, girl from Essex she's always been. Just now equipped with tits that can alter tidal patterns in coastal areas, such is their GRAVITATIONAL pull.

Interestingly, as well as getting her NORGARDS out for the camera, Charley likes to indulge in a bit of fetishy stuff, like being bossy and ordering blokes to grovel and cringe before her.

"I'M NATURALLY A DOMINATING GIRL"

## The Charley Atwell Song

She has enormous tits!
She has enormous tits!
She has enormous, has enormous, has enormous TITS!
Her tits are really big!
Her tits are really big!
Her tits are really, tits are really, tits are really BIG!
Diddly-diddly, diddly-diddly, diddly-diddly – WANK-WANK!

"I'm naturally a dominating type of girl," she says.

"I like a man to lick my feet and suck my toes, but only if they beg me."

Like we said, the same sweet young thing she was all those years ago. Anyway, we wrote a song about Charley and her HUGE HOOTERS, so sing it softly to yourself while you gaze at those beauties, and imagine them wrapped around your dick. ■ Picture

## PRAGUE!

Czech porn star Carla Cox should get a job as a nude tour guide, she's that keen on showing tourists around her home town of Prague. We'd follow her anywhere.

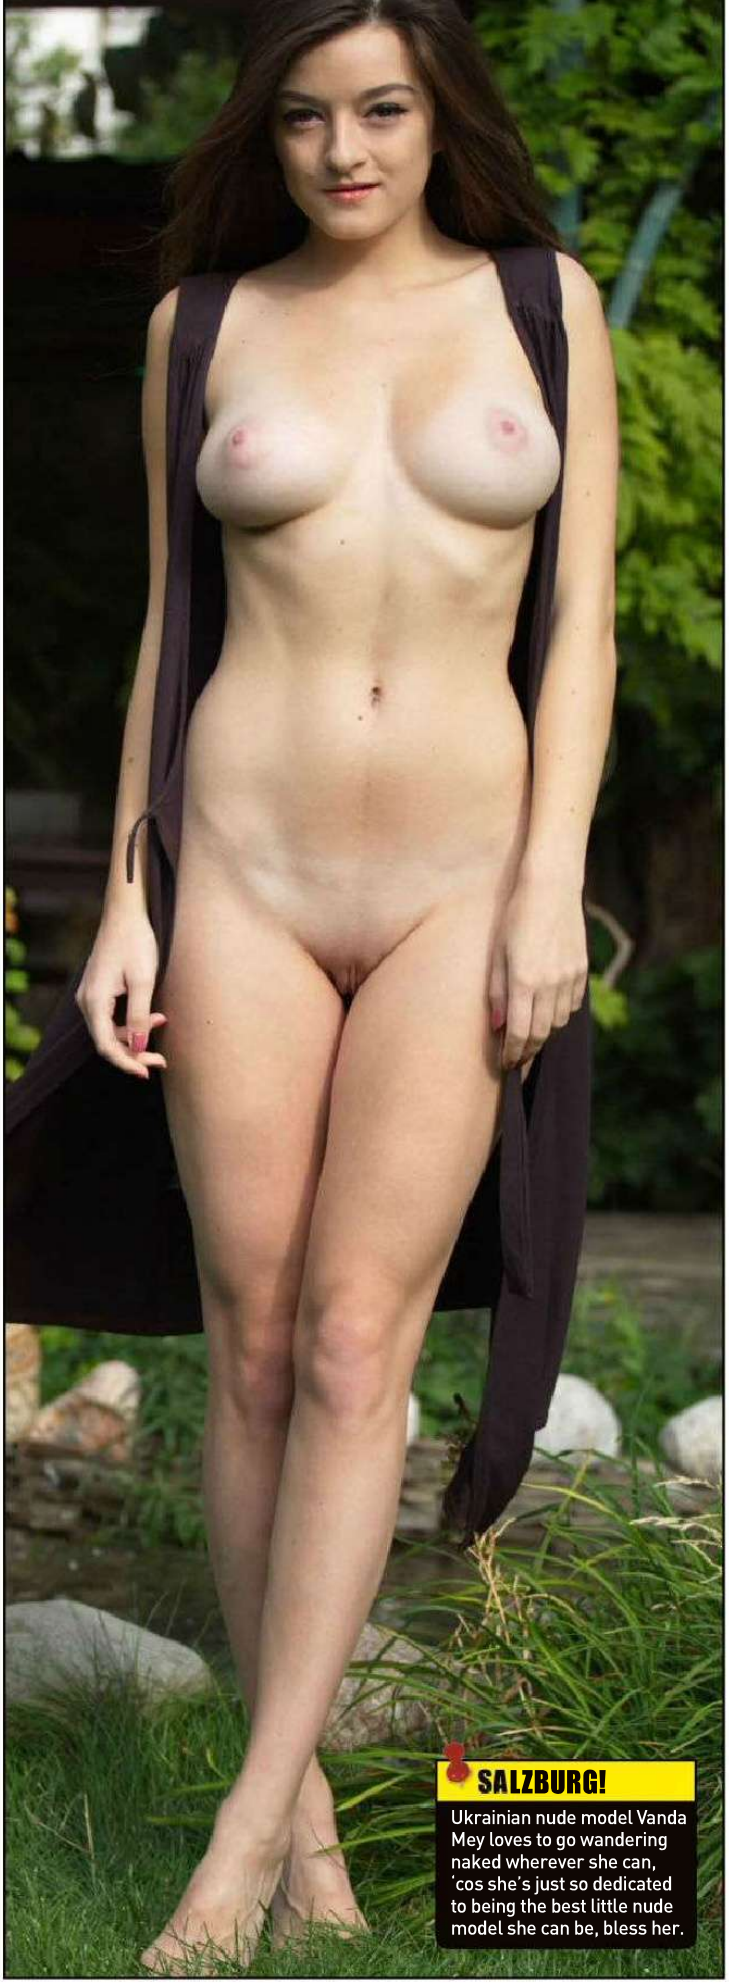
## KANSAS!

Being a farm girl, Rosita gets up early to feed the chooks. She takes the opportunity to catch the dew on her tits, it makes them feel all fresh and shiny.

## THE RIVIERA!

Emmy is having a hard time getting used to this topless sunbaking thing. Either she's gunna have to buy a bikini, or go full nude. We vote for full nude, just 'cos.

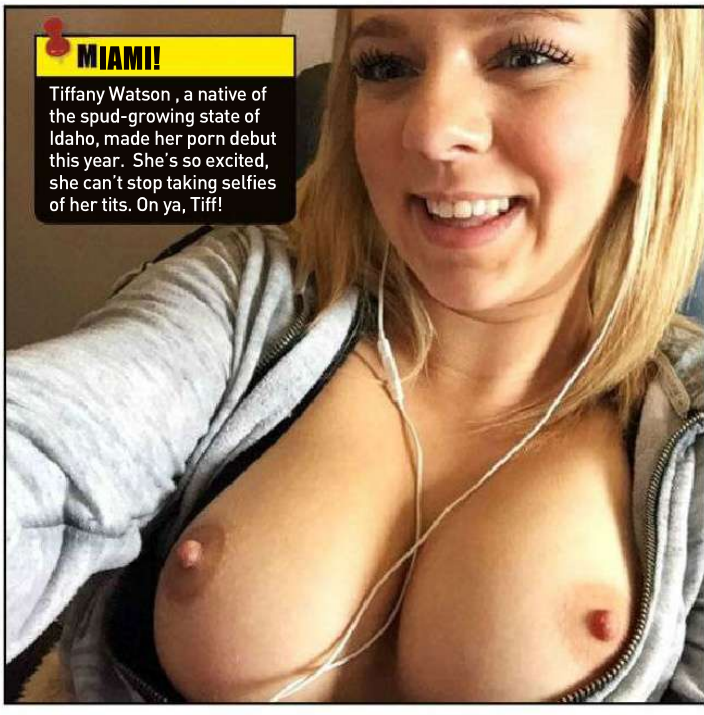
GETTY, MET-ART



## SALZBURG!

Ukrainian nude model Vanda Mey loves to go wandering naked wherever she can, 'cos she's just so dedicated to being the best little nude model she can be, bless her.

# STOP FUCKEN PRESS



## MIAMI!

Tiffany Watson , a native of the spud-growing state of Idaho, made her porn debut this year. She's so excited, she can't stop taking selfies of her tits. On ya, Tiff!

## PARIS!

The Paris Fashion week Spring/Summer show was supposed to highlight what girls will be wearing next year. Not very much, by the look of it. Bring it on!

# News Flash

Believe it or not, this shit happened!

## SMART CUNTS

**PEOPLE who swear heaps are probably SMARTER than the others. A couple of US psychologists tested students and found that those that knew a lot of swear words usually had large vocabularies in other areas too, which FUCKS OFF the idea that people swear because they can't think of anything else so say. Eggheads Kristin Jay and Timothy Jay had their findings published in the *Language Sciences Journal*, so good on the fucking dickheads, eh.**

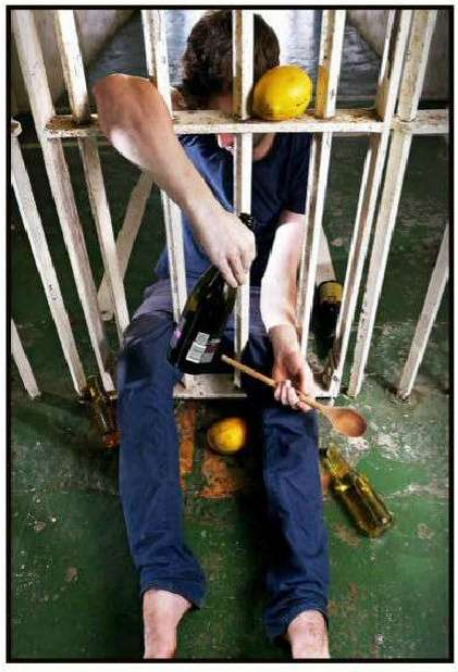
## FACE OFF!

**A FEW seconds before this picture was taken, Chris Algieri was an alright-looking bloke. No George Clooney, but on a good night, he could pick up. Then Swedi Amir Khan tagged him during their welterweight stoush in New York, and instantly Chris had the sort of mug that gets the villagers storming the castle with pitchforks and burning sticks. Hopefully, they managed to find all the pieces and re-assemble him.**

Get this bloke a Panadol

# INK-REDIBLE!

NADINE – NAD to her mates – went all-out to chalk up some "look at moi" points by getting a TATT as she was skydiving. Y'know, like out of an aeroplane. In the SKY. JESUS CHRIST. Nad and her mate, tattooist Shannon Claydon, FLANG themselves into the wide blue yonder, then Shan, using a battery powered needle, tattooed 'AHHH' on Nad's wrist in just 30 seconds. Next week, she'll shit in a bucket while skate-boarding through Woolworths wearing a onesie – she's crazy, that one!



# BREW-HA-HA

A BREW was uncovered in a correctional centre in Darwin, when two lags bashed an inmate for drinking more than his share. Staff said it became clear the bashed man was feeling more than merry. "He was blind drunk, so he sang like a canary. He showed us where the stash was and said the fight had started when the other two accused him of drinking more than his share," the guard said.

# THAT'LL CLEAR YA PIPES!

TEXAS plumber Mark Oberholtzer is suing a used car dealership after a truck he sold them turned up in Syria being used by ISIS – with his name and phone number still painted on the side! Mark reckon since the images hit the net he's lost a lot of business and has received threatening phone calls calling him a ISIS supporter. After being traded in, the Ford F-250 was auctioned to a second dealer, then shipped to Turkey, where it was used to mount an anti-aircraft gun, still with Mark's business logo on the side. Photos of it in action in Syria went viral, and the shit hit the fan.

# BEER CON

A SEPPO bloke is suing the American makers of Fosters for bullshitting him into thinking it's made in Australia. New Yorker Leif Nelson reckoned all the Aussie bullshit in the ads for Fosters in the US cleverly disguised the fact that it had been brewed in Forth Worth, Texas, since 2012, and, like the kangaroo at the bottom of the can, he's hopping mad about it. If he wins a shitload, he'll probably buy a couple of slabs of Bud .

# GET A GRIP!

## Spunk's vice-like vadge could take your finger off

Kim Anami

WHEN you hear the expression "tight cunt", your thoughts immediately spring to your bastard mate who never buys his round. And when you hear the term "strong cunt", you picture a bloke with the athleticism to carry three slabs with one arm while drinking a beer with the other.

But from now on, whenever we hear either of those phrases, we'll immediately think of Kim Anami, professional sex and relationship coach as well as a champion VAGINAL WEIGHTLIFTER.

Thanks to her years of training, Kim claims to be able to lift objects weighing as much as five kilos with her MUSCLY MOOT.

The way it works is, she sticks a JADE EGG inside herself, with STRING tied around it, and ties the other end to whatever she wants to lift.

Then it's just squat, lift and BOOYAH! She does it mostly to promote her sex clinics, where she teaches sheilas to root better, and travels the world bunging on demos.

Everywhere she goes, she tries to lift something that represents the place, like a surfboard in California, or a coconut in Fiji.

So we're hoping when she comes to Oz, she can hoist a slab for us – then carry it out of the bottle-o – without anyone noticing. ■ Picture

# SO GOOD, IT'S EVEL!

## Stunt god's bike up for sale

FOR A while in the 1970s, Evel Knievel was the most famous man in HISTORY.

He jumped his motorbike over stuff and smashed himself up something fierce – in fact, looking back, he probably crashed more times than he went over, so maybe being a shit rider was part of his genius.

More kids broke their legs riding their bikes off garage roofs because of him than any other stunt hero. He was awesome!

Now nobody seems to give a fuck about him, but for those of you who STILL CARE, a big ol' chunk of Evel history came up for sale recently.

The big fella's 1976 Harley-Davidson Sportster XL 1000, as rode by him while escaping from Mexican drug dealers in the 1977 flick, *Viva Knievel!*, is due to go on the auction block at the Bonhams Las Vegas Motorcycle auction at Bally's Casino and fetch up to US$100,000.

Evel couldn't be there, on account of him being dead and that, but we're PRETTY SURE he would've been chucking wheelies in heaven. And then probably crashing into the pearly gates and smashing his collar bone. ■ Picture

## Oz's best MAN CAVES

**WHO:**

**Glen Reardon, 42**

**WHERE:**

**Toowoomba, Qld**

All hands on the deck?

**HOW LONG IT TOOK TO BUILD:** A mate of mine knocked it up for me. The shed itself was on the property when I bought it, but it was just a concrete floor and tin walls. We put it up in 2009, and it's been going hot ever since.

**FEATURES:** It's got everything you'd ever need. We've got a 50-inch plasma TV with surround sound, a pool table, and a fireplace as well. There's also a double-door, glass-fronted fridge, which contains anything XXXX that you'd wanna drink.

**FAVOURITE FEATURE OF SHED:** I get in there with my mates and we have a bit of a punt and a game of pool while we watch the horse races.

**BEST THING EVER TO HAPPEN IN SHED:** The first ever Boxing Day party we had in there still gives me night terrors. We got pretty loose.

**WHY I LOVE MY SHED:** Because why wouldn't you love it, mate? It's a long day out driving the truck, so when I'm at home, I love having my mates around and having some fun. We're on Facebook, too.

## BITEY WHITIE

We can't say enough GOOD THINGS about Great White sharks. They're huge, vicious killers and Americans think they're fucken awesome. They even have their own movie franchise now. Most days, when we're not getting all gooey over saltwater crocodiles, they're our favourite animal. And that was before we found out they were cannibals! This five-metre female white was photographed off the coast of South Australia wrapping her jaws around the scone of the little 'un, which had done the wrong thing by trying to get between her and her prospective feed. She gave junior a BIG GOBBY before he managed to wriggle free, compete with a set of scars down either side of its skull that will impress its mates for years to come. It would only be cooler if they turned out to be ZOMBIES.

## CHICK WITH A WHAT?

TRIN, love your work and your rack. Big fan. First up, I'm mostly straight. I say that because I thought I was Mr Hetero-til-death, until scanning some lady boy porn recently and I wanked my brains out for the whole night. I don't really care if I'm into tranny porn as long as it's not gay. My dad reckons I'm a poofter anyway, and I've just about given up trying to prove him wrong. Now THIS? What's the go on trans-porn?

TIM, KYOGLE, NSW

***TRIN SEZ:*** *Perhaps you're bi-sexual. Nothing wrong with that, and there's nothing wrong with lady boys either. Enjoy your recently-found sexual excitement. I've always wanted to fuck a chick with a dick myself.*

## RAP ROLLER

WHADDUP Trin, I'm an aspiring rapper who's gunna make it BIG in Oz. The name's T-Bone and all the other cunts can suck my huge dick. I've got better flow than Eminem and more STEEZE than 2 Chainz. But I got one lil problem – no chicks with fat arses wanna be in my video clips? How do I get bitches to love me? I wear gold and look like a champion, but it still doesn't seem to work. Help!

T-BONE, VIA EMAIL

***TRIN SEZ:*** *Perhaps a change of attitude. Being humble is a sexy attribute; you should try it. You can't make people love you. I'd also rethink your rap name*

## BIGGER BOOBS?

TRIN, my boyfriend reckons that my boobs will grow bigger if he plays with them. He said he read it somewhere, and that it's science. Now he's always got his hands on my boobs. This has gotta be bullshit, right?

ANNA, VIA EMAIL

***TRIN SEZ:*** *Your man's full of shit. No, that's not true, although stimulation and good blood flow are good for any body part. Tell him you read that excess playing with tits leads to dick shrinkage. That'll make him stop!*

## FOXY GIRLFRIEND

HEY TRIN, long-time reader, first-time writer. I've been seeing someone recently, a very sweet, shy girl with a fantastic womanly figure. She's a real attention-getter in terms of when we go to the pub, I disappear to the toilet, I come back, and there's three blokes trying to buy her drinks or ask her out. How the hell do I keep the lads at bay? Or should I just enjoy it, make a joke of it and try to get on with life? 'Cos to be honest, it's pissing me off a bit, eh.

TERRY, ACACIA RIDGE, QLD

***TRIN SEZ:*** *It's definitely something you will need to get used to. The only time it should piss you off is if they're approaching while you're there. Otherwise, smile, mate – these guys have no chance. She's yours!*

## SISTER ACT

TRIN, I had to go around to pick up something from my girlfriend's sister the other day. Anyway, one thing led to another, and now she's pregnant. What should I do? My missus is pregnant too.

SIMON, VIA EMAIL

***TRIN SEZ:*** *You're a deadset fuckwit, mate. Man up, tell your missus and then whatever happens, you take care of those kids. You're an idiot!*

## WANK OF DEATH

TRIN, is it possible to wank your dick to death? I have never had a girlfriend, so I have watched lots of porn over the years, in the cinema, on DVD and on the internet. And I have masturbated more than anybody should in three lifetimes. But these days, it's difficult to achieve an erection, and when I do, it doesn't last long. So have I masturbated my penis to an early death, or am I just getting old? I'm nearly 40.

MATT, MANUNDA, QLD

***TRIN SEZ:*** *Dude! Get out there and get some real pussy. Your dick is bored, pissed off and has gone on strike! I would too, if I was your cock. Do yourself a favour; get yourself a lovely hooker, and go to town. Trust me; it'll change your life, once you actually experience VAGINA!*

## TRINITY'S SEX TIP

***IF YOU'VE got the patience to sit on your arse and play computer games, why not consider spending a few hours thinking about some games you and your girl can play in the bedroom? There are multiple scenarios you could make happen – role-playing, loose BDSM (no tight ropes) or simply making something interesting happen. It's normal, healthy and fun.***

## TAYLOR'S GONE

I'VE BEEN buying the mag since for fucken ever, Trin. I loved your shoots with Taylor Gunz. Are you still mates with her? You guys should do another shoot. You two always looked so hot together.

IAN, PENRITH, NSW

***TRIN SEZ:*** *Yeah, we certainly did some sexy shoots together – those were the days. Taylor left the industry a long time ago. No chance of seeing us together again – sorry about that, mate.*

**TRINITY WANTS TO HEAR FROM YOU!**

# Get up ya SOOK!

AS SOON as Russell posted a few piccies of his skewered leg on Facebook, we were onto him to ask what the fuck happened out there.

This is his BRAVE STORY:

"We were fighting this marlin for about an hour and a half, and when we got him to the boat, we put hooks in him and secured him to the cleats.

"At this point, we realised the fish was about 500 pounds (227kg) and we had no idea how we were gonna get it into the boat.

"We were about 23 miles (37km) offshore and dragging it would have taken forever, so we tried pulling it into the boat using the rocking of the boat and the swells as momentum.

"We were extremely tired by then, and as the fish slid into the boat, I ended up in a really bad position. It slid down so fast with all its weight behind it, the sword caught my shin and went right through like a hot knife through butter.

"I was pinned down by the marlin and there was no way for my partners to pull the fish back and get the bill out, but luckily my uncle had a saw in the boat so they sawed me free, then we hauled ass back to the harbor.

"The whole way in, I could feel the bill rubbing on my shin bone. There was an ambulance waiting for me when we got in."

Have you had a REVENGE FEED of the fish yet, mate?

"Ha ha! We sold it yesterday to someone who smokes the meat, but I'll let you know how it tastes when we get some of it back to try."

Will you keep fishing? Or maybe take up something safer, like lawn bowls?

"I'll keep fishing once I heal. That along with hunting, diving and golf.

I live in Hawaii. Can't give that up."

Spoken like a true champion, now... GET UP YA, SOOK! ■ Picture

## THREE BAGS FULL, SIR

THE other day a mate and I had a few beers in the pub, and as he was driving home, he got pulled over by the cops. When they asked him his date of birth, he replied, "Eighth of May" and when asked which year, he replied, "Every year". Things went downhill from there...

P.C., PARAP, NT

***MUNGO SAYS: This mate of yours, he wouldn't be a smart-arse by any chance would he? Because in my experience of interaction with the minions of the law – and I won't lie to you, it is considerable – I've found that, while they will tolerate a lot of bullshit sometimes, the one thing coppers really don't like is a smart-arse.***

T.H., TUMBI UMBI, NSW

***MUNGO SAYS: There's no law that says you can't be brave AND stupid. It's a winning combo, like beer and pizza, or beer and more beer. Genital piercing has been around for yonks, but these days anyone with access to whiskey and a stapler is doin' it.***

## MUM AND DAUGHTER HOMIES!

I'VE been wondering if any Home Girls from back in the old days of the mag have had daughters who have gone on to become Home Girls too? I would be stoked to see a Home Girl Mother/Daughter feature. I wouldn't want to see them doing anything creepy. I'm not weird or anything. Well, not much! Just thought it'd be a nice idea.

PETE, WANDONG, VIC

***MUNGO SAYS: No, mate – that's not weird. In fact, it's downright SWEET. We'd love to have any mother and daughter Homies step up and declare their multigenerational Homie-ness in the mag. We might even have cake. So yeah, mums and daughters; dig out those old shoots, dust 'em off, and let us know. We'll even publish them.***

## IF YOU BUILD IT, THEY WILL DRINK

YOU asked back in #1394 if any of us had invented anything lately, and I have. I haven't got the plans drawn up yet, as it's just in the conceptual stage, but what I'm thinking of is a perpetual beer machine that will keep mankind supplied with ale for ever. And I won't even charge a cent for it, I just want everyone to worship me. Just a few details to work out, and I'll unveil the blueprints. It's thirsty work, but, so a bit of beer money wouldn't go astray in the meantime.

THE PROFESSOR, BATHURST, NSW

***MUNGO SAYS: Are you trying to ruin our economy or something? Why do we get up and go to work in the morning? To pay for beer. What's a good way to make money? Sell a lot of beer. This is the basis of any strong western economy. You start giving the stuff away, you'll fuck it up. Better just give the plans to me and I'll keep 'em safe for ya. Bloody amateurs...***

## OH, ANGIE BABY!

I'D JUST like to say hooray for Oz's own big-titted porn champion Angela White, after seeing her in issue #1394. I'd love to get one of her fake gineys to fuck around with at home, but better than that, I'd like to have a go with the real thing. If you're reading this, Angela, I can go all night and I can lift five kg with my tongue ring. Love ya work, babe, and keep making us proud.

K.M., ZETLAND, NSW

***MUNGO SAYS: Of course she'll be reading this. She never misses my page. And knowing Ange intimately as I do, I would say she'd be very flattered, possibly even a little bit MOISTENED, by your offer. And that plastic smoo of hers looks heaps sexier than a sock full of mud. Just sayin'.***

GOD'S GIFT
Viola's hooters are heaven-sent
THEY'RE LARGE AND IN CHARGE!
Met-Art

SHE might be the only Latvian we know, but Viola Bailey is giving her country the GOOD WORD down here in Oz. Last time we spoke to the GIGANTIC BREASTED 22-year-old, she told us she was looking to take part in an orgy.

Well, it turns out she's done herself, her country, her parents and even her pet dog proud by succeeding in those GROUP ambitions.

"I finally had sex with more than three people," she excitedly told us. "There were only four people; five including me. But it was absolutely amazing!"

***You LUCKY DUCK, you. What was the cock-to-smoo ratio?***

"There were two guys, and three girls, and we all took turns fucking

each other. My favourite was when the two men were focused on me while the other girls were making out."

***Fan of the attention, are you?***

"Of course, I love all eyes on me. But that's not to say I didn't enjoy when the girls were going down on me."

***We BET you didn't. What's your fave sex possie?***

"Hmm, that's a tough one. It really depends on how I'm feeling. Sometimes, I like to be dominated a bit and just let the guy take charge and in that case, it would be doggy style. But if I'm feeling a bit more lively and forceful, then I'll take over and go a bit of reverse cowgirl."

***Good answer. No MISSIONARY then?***

"Oh yeah, that can be nice if you're

really into the person you're with. But then, it's more like you're making love and not having sex – which is equally as good – if not better – than having a good, hard fuck. Can I change my answer to missionary with the person you love?"

***Nah, all answers are FINAL here at THE PICTURE. Last we spoke, you had a boyfriend – please tell us you DUMPED him?***

"Nope, sorry! I really like him. But we're in an open relationship, hence the group sex. So if I really want to try something new sexually, I'll talk to him about it, and we can organise something."

SARA
CUBA, THE CARIBBEAN
POPULATION: 11.2 million
LANGUAGES: Spanish
AVG. BRA SIZE: 34C
FUNNY, SHE DOESN'T LOOK LIKE GLORIA ESTEFAN.
Nah, but Cuba being your socialist paradise is a wonderful country where many races live together harmoniously and that. Spanish, black, Uzbekistanian, it's all good. Gotta love the commies.
THE CIGARS. TELL US ABOUT THE CIGARS.
Oh yeah. Sara works in a cigar factory – she rolls them little beauties by hand. On her THIGHS. She lovingly and tenderly caresses the tobacco leaves into a long, hard missile sorta shape, rolling them up and down her firm, coffee-coloured thighs until they practically JIZZ OUT nicotine. She goes hard at it, too, in sweltering conditions, so each stogie is infused with Sara's sweet THIGH SWEAT.
NOW THAT'S A SMOKE!
You're not kidding. Some customers specifically request Sara's cigars. They pay extra for the ones she rolls on really hot days. Apparently a real aficionado can tell whether she rolled it in summer in the afternoon or on a spring morning, just by sniffing it.
SARA SEEMS TO BE BATTING ABOVE THE NATIONAL AVERAGE TIT-WISE.

Doesn't she just? They look like Ds, possibly DDs to us. We tried to get some closure on this, but Sara herself is not much help, though. "I can't tell you," she says. "Because most of the time I don't wear a bra. I just enjoy the feeling of my big titties swinging naturally in the free breeze of our worker's paradise homeland."

**YOWZER!**

And it gets better – not only does Sara have access to some of the world's finest cigars and a rack that just won't quit, her dad owns a rum distillery. And she's single, readers! Single! Oh my stars.

**OH MY GOD. THAT'S IT. NEXT HOLS, DEFINITELY.**

Sara will meet you at Havana airport with a glass of rum, a stogie and her freedom-loving tits waggling a hearty Cuban welcome. Say hello for us. ■ Picture

Wild
THING!
Naomi's natural bod will blow you away
Made in
Oz Girl

BELIEVE it or not, there are people in this world who are so DISGUSTED by other chicks taking their clothes off, they write ANGRY letters to magazines, saying that we should be ashamed of ourselves.

But 21-year-old Naomi doesn't see what all the fuss is about. "What's wrong with being nude? People are so hung up with sex and nudity," says the beaut bartender and graphic artist. "I think being naked is empowering."

***Good for you. Welcome aboard, Nomes! Where are you now?***

"Right now, I'm sitting on my front lawn under an umbrella with

NAOMI'S DISROBING!

a cold drink and my phone. I'm doing some drawing, too."

***You'd be drawing them like flies to honey, eh? EH? Sorry. You like the art, yes?***

"Ha ha! Yes, I love it. I like to draw all kinds of things. I'm intensely attracted to the photorealists of the early 1960s; they're quite amazing."

***Do you do NUDES?***

"I'm hopeless at drawing people naked! I seem to get them all out of proportion. Boobs are too big, legs too short. I'm better at BEING naked, I think."

***This is your first time nude in a magazine, right?***

"Yep, it's a pretty new thing for me. I know a lot of the girls who do this can pole dance and stuff. I can't do any of that."

***Have you ever gotten naked in front of a GROUP of people before?***

"Only a few times. Once, when we went skinny-dipping out in the wheat belt, and once at a party for some night swimming. So I'm not exactly a professional!"

## Made in Oz Girl

# “JUST GET ME REALLY WILD”

***Are you seeing anybody special at the moment?***

"I'm just newly single, so I'm not really looking. I was in a long-term relationship."

***And MOST IMPORTANTLY, what sorta things do you like to get up to in the sack?***

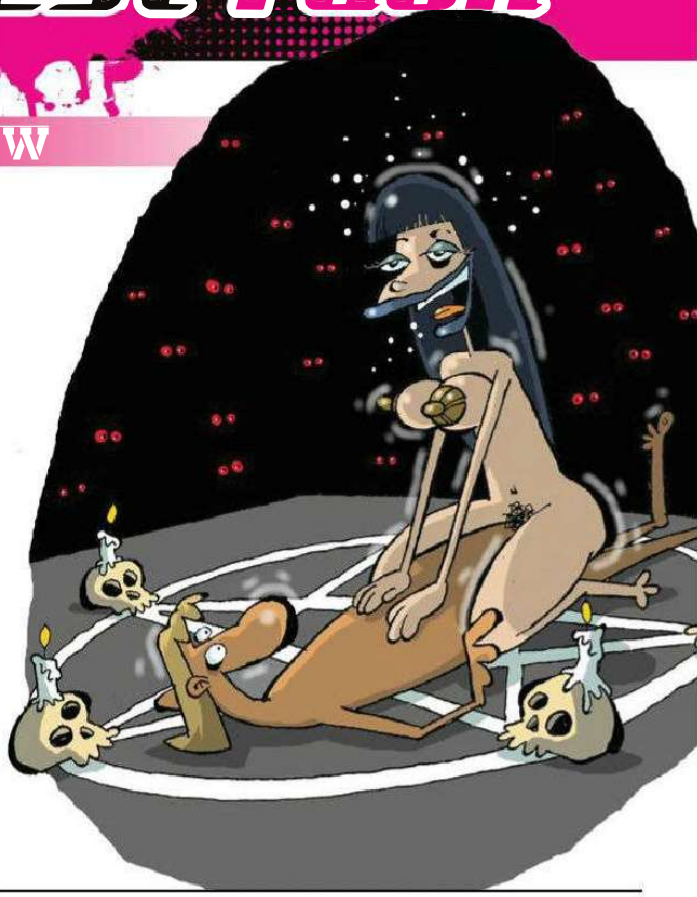
# My Weirdest Fuck

## BETTER THE DEVIL YOU KNOW



I'D HAD the hots for this chick, an absolute stunner with perfect tits, perfect arse, the face of an angel and long, black hair. I was a bronzed Aussie surfie, and she was a Goth, into witchcraft and all that crap.

Not that it worried me, because it's all bullshit, but it made cracking onto her difficult, because it wasn't like she was gunna show up at the surf club or the beer garden. But as it turned out she fancied me too, so when we met up at a mutual friend's place, I went all out to tune her up.

So, long story short, we end up back at her place, and that's where it started to get a bit strange. We go into her bedroom, and instead of a bed, she has a mattress on the floor, and around the mattress there was a pentagram drawn on the floor, and at each of the five points there was a skull with a candle on top. Not real ones, just fake, but still.

Anyway, she lights all the candles, and we get down to it with her straddling me. I've got my cock in her and I'm pumping away but it's like she's in another world, and then she starts muttering in some weird language and staring at the ceiling.

I'm like, 'scuse me, I'm down here, but she doesn't seem to even notice me. Just then Morticia starts yelling crazy shit about the Lord of Darkness, and I see the eyes – lots of red, beady little eyes staring from out of the darkness.

I freak out and jump up, sending her flying, and when I hit the light switch, I see these cages of rats all along the walls of the room. And I fucken hate rats. So I grab my clothes and bolt. Never again. I stuck to surfie chicks after that.

# MUM'S THE WORD

I'D HOOKED up with a good-looking, blonde guy about 25, with soulful blue eyes and a promising bulge in his jeans.

I didn't ask him much about himself, except for where he lived and would he take me there and fuck me, 'cos I didn't really care. But I should've checked a few things.

First off, he lived with his mother. Not a biggie these days, but I thought he might've mentioned it.

She was up waiting for him when we got there, then she wanted to sit in the kitchen while we had a cup of cocoa and chatted, when all I wanted was to neck a couple of voddies and get the bugalug's cock inside me.

Eventually, she seemed to give me the stamp of approval, so me and the fella marched off to his bedroom.

I'd just ripped off his jeans to suck his meaty cock, when there was a knock and it's his mum, saying she was just leaving a tray with some drinks and snacks outside the door. Okay, great job at room service, mum, but fuck off, eh!

I shoved him back on the bed and sat on his face, 'cos frankly his puppy dog expression was starting to shit me, and I much preferred to sit on it than look at it.

There was another knock. It was you-know-who, and this time she said through the door: "Make sure you use a condom, sweetheart."

Eventually, I wrestled a franger onto his dick, flung a leg over him and started to ride him like a Melbourne Cup jockey.

He was moaning, I was moaning, and I was just about to pop my cookies when there was ANOTHER knock at the door, and the old bat asked: "Have you got your asthma inhaler, sweetheart?"

I still managed to finish, though my desires now lay elsewhere.

And I still managed to get my rocks off, despite him, who had just started crying and asked me to cuddle him. Finally, I got my boots on and pulled on my clothes. "See ya, darlin'. Don't call, for god's sake," and escaped out the window. Fucken mummy's boys!

MULIE was the girlfriend of a mate of mine, so I had to wait until he dropped her before I could make a move. When I did, it all happened pretty fast, so I never got to ask him what he gave her the shove. I was just happy she was in a cab next to me speeding back to my place. When we got there, we were tearing each other's clothes off and pashing as we were stumbling into my bedroom, we were so ready to root.

The first time I noticed anything different about her was when she bent over to take off her shoes, and she could practically put her chin on the floor.

I was pretty impressed checking out her furry little spadge peering out from between her arse cheeks, then I noticed her grinning face down between her feet. She grabbed her legs and stayed in that possie, then beckoned me over to root her from behind.

So I do, and the next thing you know, she bends even further so her head disappeared entirely as she reached up to grab my arse with both hands. She was practically looking up my clacker! I was struggling to keep my balance, so we shifted onto the bed and, I tell ya, it was like she didn't have any bones in her at all, apart from mine.

She'd have both legs behind her head as I ploughed her juicy moot, then one would sorta cross over in front of my face and she'd be in a completely different possie facing the other way.

She could pretty well tie herself in knots, and she never stayed in the same possie for more than a few minutes. We had a fling for a month or so, and then I had to see a chiropractor 'cos my back was fucked. Turns out that why my mate chucked her.

## CHLOE
DECEPTION BAY, QLD

Eighteen-year-old Chloe is hard at work feeding the stoners and hungover of the nation. "While working at McDonalds, the worst thing I have ever seen was an old lady in a car smoking, only wearing a very small two-piece bikini, loaded with make-up." ***Not witnessed any nude drive-throughs yet?*** "No, not yet." ***No public flashing or nudey runs?*** "No, I haven't. It could be funny." ***How did it feel being photographed naked?*** "I like how fit I am. Being photographed naked felt freeing; not having anything tight around me." ***We'd like to see more. Would you ever do more explicit poses or a you-beaut porn flick?*** "I would do more explicit poses, but don't think I could have sex on camera." ***We look forward to seeing those legs a little further apart one day – and hope you change your mind about the sex bit.***

**WHAT DO YOU WANT TO CROSS OFF YOUR SEXUAL BUCKET LIST THIS YEAR?** "Maybe try a lesbian thing. That would be something new."

**"I would do more explicit poses"**

## KATE
MELBOURNE, VIC

"It's super boring: I am a bartender," says arselicious 22-yar-old Kate. ***Nothing BORING about the noble art of helping people get shitfaced.*** "But I am qualified as a sound technician. I honestly haven't done anything too outrageously sexy except for the fact I am naked on the internet. I suppose that is pretty outrageous." ***What do you like about being naked online?*** "I like it because I am confident with my body, and feel like we shouldn't be hiding ourselves. I paid a lot for my boobies, why not flaunt them?" ***What is the most explicit thing you would do in front of a camera?*** "I keep all my work very classy. I would never do anything too explicit; no spread shots or girl-on-girl shoots for me." ***Damn, damn, DAMN.***

**WHAT DO YOU WANT TO CROSS OFF YOUR SEXUAL BUCKET LIST THIS YEAR?**

"Well, I am very happily taken, but I would love to have some fun with my boyfriend in another country or even on the way to said country, if you catch my drift."

# Home Girls

"Sex in the water is great fun"

## HANNAH
GOODNA, QLD

Waitress Hannah, 22, is "very laidback but always up for fun". ***Define fun.*** "I once skinny-dipped in a water tower. A friend and I were bored one day, and it was quite hot, but we had nowhere to swim. So we decided to break into the local water tower. Once we got up there, we realised we didn't bring costumes, so we winged it and went nude. It was lots of fun. I swim nude all the time. I just love the feeling of being nude, in any situation. I have had sex in the water and sex on the beach. Although I must say the beach was a bad experience; sand was in places it shouldn't go. I love sex in water, though. It is great fun."

**WHAT DO YOU WANT TO CROSS OFF YOUR SEXUAL BUCKET LIST THIS YEAR?**

"Have a threesome with two girls. I am bisexual and I have had many lesbian encounters. I love women; they are so sexy."

## DYLAN
NEWCASTLE, NSW

The burden of work is not imposing itself on 25-year-old Dylan. ***How you filling your time?*** "I do a little bit of burlesque performing on the side in my free time. I absolutely love being on stage naked with my giant fans, being able to tease the audience." ***Any other kinks for us?*** "Well, it's hard to pick just one wild occasion, as my hubby and I are polygamous." ***Yeah, we know a Greek bloke, too.*** "We're swingers. The kinkiest would have to be the first time we engaged in full-on group sex. There were about five different couples in the room. There was just a sea of naked bodies everywhere. There is nothing better then being surrounded by naked ladies and being able to do whatever you please."

**WHAT DO YOU WANT TO CROSS OFF YOUR SEXUAL BUCKET LIST THIS YEAR?**

"Gosh, that's a hard one with having done so much already. But I have always wanted an all-girl four-way, so fingers crossed."

"We've had full-on group sex"

# HAYLEY
DARLINGHURST, NSW

"I was at Bondi yesterday," says 27-year-old Hayley. "But unfortunately, they have bikini rules." ***Not a fan of Tigerlilly?*** "I like going to nude beaches. I go twice a month. Me and my girlfriends are planning to go to one this weekend. I love being naked." ***Where else in public do you like being naked?*** "Just at parties, like a pool party. I usually get the girls out at nightclubs or parties; sometimes they just come out themselves. A few of my friends who are in bands are rappers, and they need girls who don't mind getting cheeky on camera." ***Are these videos online?*** "None of the topless versions, but I filmed one a few weeks ago, which is getting edited up currently, in which my girls make an appearance." ***We might even listen to your mates' hip hop for THAT.***

**WHAT DO YOU WANT TO CROSS OFF YOUR SEXUAL BUCKET LIST THIS YEAR?**

"I am always open to trying new things. I am quite adventurous. I wouldn't mind joining the Mile High Club."

# Home Girls

**DAVE, HUMPTY DOO NT**

## VIOLET
NEWCASTLE, NSW

"I hope you had a good cruise around the Pacific and got lots of action from the males on board. I hope to see you nude in *The Picture* again."
**GOMEZ, YARRAVILLE VIC**

***"I had an absolute blast on my cruise. You could say I got to try out a few different cultures – and a staff member; lots of fun in the sun. I will be in The Picture again real soon."***

***ASK ANY HOME GIRL ANYTHING YOU LIKE.*** *Chuck us an email at askthehomegirls@bauer-media.com.au or write to* Ask The Home Girls *c/o THE PICTURE, GPO Box 5201, Sydney, NSW 2000.*

## SHELBY
CAIRNS, QLD

Unsurprisingly, for someone who works in the airline industry, 41-year-old beach bunny Shelby was fresh off the plane when we spoke. "I have just had a fun-filled weekend away, meeting some exciting, fun men that I have never met before." ***Sounds more exciting than your average work trip.*** "I was all dressed up in a little black dress with sexy high heels waiting at a bar for a complete stranger to come up to me and buy me that first drink to seduce me back with him." ***Did the dress-and-heels combo work its magic?*** "Yes it did. A little black dress with heels and the boobs is always a sure winner." ***We might BACK it next Caulfield Cup.***

**WHAT DO YOU WANT TO CROSS OFF YOUR SEXUAL BUCKET LIST THIS YEAR?**

"I am a girl who likes to be surprised, and I am open to most things. If I had one thing, it would be on a boat sipping champagne with only the stars looking over, and having the best sexual experience."

## DAHLIA
FREMANTLE, WA

"I am a reptile handler in a pet store," says 23-year-old Dahlia. "And I have just completed a degree in conservation and wildlife biology." ***We're more used to playing with cattle dogs and avoiding our girlfriends' cats. What do you like about our SCALY-SKINNED mates?*** "The adrenaline rush of handling animals people are terrified of, is fun." ***Any favourites?*** "It'd have to be pythons." ***What do you think about people who are cruel to animals?*** "I can't imagine how people can be so cruel to another being." ***Is it a big jump going from snakes to posing nude?*** "No. I have even done a nude photo shoot with my best friend. All I can say is it involved strawberries and cream." ***Better than the frozen mice your snakes eat.*** **WHAT DO YOU WANT TO CROSS OFF YOUR SEXUAL BUCKET LIST THIS YEAR?** "I have only started exploring my bisexuality last year, which I want to continue this year. I have only been with one girl before, but two would be fun."

**"I'm yet to try being tied up and submissive"**

## MADDISON
NEWCASTLE, NSW

Maddison, 23, traverses this wide brown land sharing the joys of the unburdened boob. "I travel around the Northern Territory, Queensland and New South Wales doing skimpy and topless waitressing and bartending in remote mining towns and cities. So currently, I pretty much live life out of a suitcase, travelling around." ***At least you can pack light. So you don't mind small town Ozland.*** "I like how they are so welcoming most of the time and people are generally friendly; always down to show you new things." ***What do you like about your boobs?*** "They're 8D-10D. I think they are the perfect size. And they are still natural, which isn't so common." ***Can you carry a beer between them?*** "If I push them together with my arms, I can."

**WHAT DO YOU WANT TO CROSS OFF YOUR SEXUAL BUCKET LIST THIS YEAR?** "I am still yet to try the whole being tied up and submissive thing, so I haven't ticked that off the sexual bucket list yet."

# WEDNESDAY BLAZE

MILLERS POINT, NSW

Some skills you never lose. Just ask 23-year-old Wednesday Blaze. "I hadn't been with a girl for over three years, and met a really cool girl not long ago in Newtown. We ended up dancing all night and while drinking, chatting and dancing, we would sneak off to the toilets and eat each other out." ***What do you like about eating girls out?*** "The taste, and just the fact you know the ways playing with a pussy can feel good for the other girl, because you know personally how it feels." ***What happened at the bar?*** "We stayed a bit too long to the point that it got a bit loud and other girls called security. We had to run away really quick before getting in heaps of trouble. We continued onto another bar after that, which didn't last long, because we both finally gave up, and she spent the night at mine."

**WHAT DO YOU WANT TO CROSS OFF YOUR SEXUAL BUCKET LIST THIS YEAR?** "Probably a threesome with just girls. I would enjoy getting eaten out while kissing and fingering the other girl."

I don't play; I'd love to, but I'm a scorer." ***Where else do you SCORE?*** "I once had an all-girl threesome with one of my best girlfriends. ## HOMIES FLASHBACK

BABES FROM OUR "WONDER YEARS"

## FLASHBACK TO AUGUST, 1999

BACK when the twentieth century was drawing to a close, there was a lot of discussion about how Homies might look in the 21st century, jet packs aside. We came to the conclusion that most of them would look a bit like Marilyn Manson with the eyes and that. But we couldn't have been MORE WRONG. We are glad to report they remain AWESOME.

## SAVANNAH
DEVONPORT, NZ

We're always keen to hear if any homies have any outrageous sexual stories for us. And unemployed 32-year-old Savannah did not disappoint. "Outrageously naughty? Hmm. Does having group sex with five chicks count?" ***Jebus! Does a wombat wank in the woods? Tell us MORE.*** "My girlfriend at the time suggested it to me. She knew a couple of girls wanting to try something new, so we all got together, grabbed some toys and had an experience that has stuck in my mind for life." ***And ours.*** "Would I do it again? Fucking oath." ***What did you all do to each other? Details, please.*** "It started off with her and I playing, gently touching. Then one by one they all joined in, and it ended up being one big juicy delight." ***Had you sampled the delights of girl-on-girl sexual shenanigans much before then?*** "A bit. But not a lot."

**WHAT DO YOU WANT TO CROSS OFF YOUR SEXUAL BUCKET LIST THIS YEAR?** "I haven't thought that far ahead."

## KAT
NEWTOWN, NSW

All sorts of awesome stuff UNDOUBTEDLY happens in 26-year-old Kat's bedroom. But sometimes the desire strikes when she is out and about. "A couple months ago, I was out clubbing with some friends at a big nightclub and was so horny that I had to sneak off into a restroom stall and masturbate. Girls were banging on the door and yelling, but I had to finish what I started." ***Away from public FRIGGING destinations, what makes your room distinctively yours?*** "I like to keep it sensual and relaxing. Smells are important to me and I always have a variety of candles and incense burning." ***What else do you keep in there? Have you got a GIMP under your bed?*** "No! I love reading and writing, so I pride myself on my collection of books. I have never had a TV in my bedroom, and it is strictly for expanding my creativity, meditation, yoga, relaxing and er, other intimate activities."

**WHAT DO YOU WANT TO CROSS OFF YOUR SEXUAL BUCKET LIST THIS YEAR?**

**Yoga mat** "It's by my bed, so I can stretch before bed and in the morning."

**"I was so horny I masturbated in the toilet"**

"I've always wanted to try sex on a plane"

## AYANNAH
ST PETERS, NSW

New Caledonian homie regular Ayannah, 31, is a bit bereft of libertine sexual adventures, having recently procreated and all. "It has been pretty hard since I had a C-section and having a newborn is tiring. But my partner has been very understanding and patient." ***You look well worth waiting for.*** "Finally after three months, we managed to have some very fun times." ***Sounds TOPS! How do you manage that?*** "We now leave the baby once every three weeks or so with his grandparents to be able to have a whole night of sex with toys and stuff and a little bit of alcohol, 'cos it helps." ***There are few situations a good stiff one can't fix. And the odd drink helps, too.***

**WHAT DO YOU WANT TO CROSS OFF YOUR SEXUAL BUCKET LIST THIS YEAR?** "I have always wanted to try sex in a plane, but not in the tiny toilets. Maybe more during a long, overnight flight when it is dark and almost everyone is sleeping. We are planning to travel this year, when we are more settled, so that would be the perfect time to tick it off the list."

We reckon 23-year-old Jiji didn't find her job at the school career fair. "I work a sex toy stall at a BDSM club." ***What are your qualifications?*** "I have a fetish for public sex. The risk of getting caught is a bonus. I have been caught by a few groundsmen."

***Sounds a perk of THEIR job. What else do you get up to at work?*** "I used to work with this natural redhead beauty. We both stayed back late one night and I decided I would be brave, so I told her how sexy she was. She told me she thought the same of me. One thing led to another and we snuck into our boss's office and had sex on his desk. To this day, he doesn't know. Sometimes we still laugh about it in bed."

**WHAT DO YOU WANT TO CROSS OFF YOUR SEXUAL BUCKET LIST THIS YEAR?**

"A lesbian orgy, because I think it would just be the most intense sexual experience ever. We know what we want and the communication is there. And we can keep going for more than one orgasm."

## KIKI & VONNY

ADELAIDE, SA

Like all good friends, 24-year-old Kiki and 23-year-old Vonny are right into the idea of hurting each other. In a good way, of course. **Kiki:** "Would it surprise you if I said I was the dom?" ***So you give Vonny a good spank?*** **Kiki:** "Only during shoots; just light slapping and tickles." ***Have you tried some BDSM moves on Kiki's beaut bum?*** **Vonny:** "I would love to, but sadly no." ***What is the appeal of spanking?*** **Kiki:** "There is always a new kink to try and skills to master. I like the experimentation and excitement." **Vonny:** "I have always been one to like something different and it's a fun way to express yourself."

**WHAT DO YOU WANT TO CROSS OFF YOUR SEXUAL BUCKET LIST THIS YEAR?**

**Kiki:** "That's hard because I've done a lot: I mean, some really sadomasochistic stuff. But I would like to experiment with role-playing, especially playing a 16th-century wench. And if the porn star James Deen knocked on my door, I would do whatever he wanted."

**Vonny:** "Train a lover by wearing a particular fragrance when getting down. Then I can have it all the time."

## CANDY
GOLD COAST, QLD

THIS 22-year-old Queenslander lives a life most could only dream of. "I spend my days on the beach and my nights in the clubs," boasts the very sweet Candy. "I'm having the most fun of my life right now." ***Good to hear. How are you able to support this life of luxury?*** "Well, I've been stripping for the past six months. So I guess my nights in the clubs aren't always for play – I work in one four nights a week." ***Do ya LOVE IT?*** "Oh yeah, not only do I love guys watching me, but I really enjoy talking to people and interacting with everybody. You get some really interesting characters in strip clubs." ***Anyone fallen in love with you yet?*** "Ha, no… at least I don't think so. I do have this one customer who sees me once a week, and he offered to pay me just to hang out and watch TV with him. He's a nice guy, but I refused." ***Paid to hang out and watch tele with a random bloke – sounds great!*** "Well, I think it would quickly move on from watching tele."

**WHAT DO YOU WANT TO CROSS OFF YOUR SEXUAL BUCKET LIST THIS YEAR?**

"I'd really like to participate in an orgy. But one with more women than men – I only want a couple of dicks."

# GO FACT YOURSELF!

## THIS ISSUE: CIGARETTES

**01.** Over five and a half trillion DOOGANS are produced each year, with around 18 million being smoked right here in Oz.

**02.** Just like in the schoolyard, ciggies are the most traded item in the world with roughly 1 trillion being sold between countries each year.

**03.** Here are some other terms for ciggies: darts, doogans, tabs, gaspers, nails, duzzas, fags, burners and baccy.

**04.** Nine kilos of eggplant contain as much nicotine as a SINGLE gasper. As such, we demand HARSHER regulations on eggplant consumption.

**05.** The Geneva Convention requires all prisoners of war to have access to tobacco. So if you're ever captured, make sure they respect your rights and get you your WINNY BLUES.

**06.** Australia is the most expensive place in the world to buy lung busters, costing on average about $19 a deck. Pakistan, on the other hand, has the CHEAPEST fags about, averaging just 98 cents a deck.

**07.** If ya reckon our government's tough, in 1634 the head of the Russian Orthodox Church said that men and women caught smoking would have their nostrils SLIT or the skin WHIPPED from their backs. On second thought, we'll take the 70 buck fine, thanks.

**08.** Indonesian toddler Aldi Rizal, known for his habit of smoking 40 durries a day since he was 18 months old, has quit smoking. Now he's addicted to junk food.

**09.** Back in 16th century Europe, it was believed smoking could help cure syphilis. Sucking down a POST-ROOT dart would be far more popular if that was the case.
